

The Model T Ford Club of America (MTFCA) is the largest club of Model T owners. We share a passion to preserve and promote the Model T Ford for future generations by educating people of all ages in the history, lore and maintenance of the car. We believe Model T Fords should be driven and enjoyed.

We have members in all 50 states and 41 foreign countries, with over 130 chapters that provide local activities and fellowship for Model T enthusiasts.

Anyone interested in Model Ts can join; you don't have to own one. Membership includes immediate family and provides free entry to the museum and museum library. Just fill out the form on the back and get set for some T-riffic fun!
