CLOSED CAR UPHOLSTERY ORDERING FORM, ALL YEARS

You must fill out this Form before we can complete your order.
It gives us the exact locations of your top support bows so your headliner will fit properly.
We are unable to process your order until after this has been received.
Specify the exact year, body style when ordering.

Start from the rear edge of the windshield header and measure to the FRONT edge of the first bow. Then measure from the FRONT edge of the first bow to the FRONT edge of the second bow, etc. Measure all the way to the wood over the rear window. Your car may not have this many rows. Please provide the measurements in "inches" and send this dimension sheet with your order as this information is necessary to make your kit.
